7. Create, Give, Explore (Shawna)

The Grade 2 classes are proud and excited to be leading a Christmas Giving Project for our community. The Grande Prairie Care Center is home to 120 residents. Roy Bickell is adopting 60 residents from the Grande Prairie Care Center and giving them a special Christmas gift. Each of these residents has shared a suggested item or two that they would love to receive. These items range from a cardigan to warm slippers to body wash and shampoo. These are all gifts that can be found for under \$20 (we hear Costco is an excellent place to shop for a lot of these items, especially the clothes).
